T-Shirt Tour - Sept. 14th

We begin our new Season with a new "Theme of Themes". Like many recording artists, when they run out of fresh ideas, they produce a "Best of..." series. This season, we are doing the same: **Best of Themes**. We'll dust off some of the favorites from years past and add a tweak or two. **T-Shirt Tour** was always fun and it sparks conversations about where we went over the summer, or some other time, or what we have on our bucket list for the future. We hope you have added a T-shirt or two since the last time.

At 7:30, **Marie & Tom Osterland** will get us started with some Rumba steps to get us into the dance mood. From there, DJ Tom will carry on with a mix of Ballroom, Latin and Swing music for your dancing pleasure. There will be the usual mixers and Ladies' Choice dances and **Steve Cavanaugh** will lead us in a couple of line dances.

So dress informally and join us for an evening of dancing and socializing. There will be hot coffee (decaf), hot water for tea and plenty of ice and water and the always impressive snack and sweets table. Contributions to this table are graciously accepted, but never required.

Admission is \$12.00 for SSD and USA Dance members with advance reservation and \$14.00 for non-members and members without advance reservations. As of this writing, there are plenty of tickets available. For reservations, call Tom at 781-659-4703 or email us at tickets@southshoredancers.org.

Pot Luck Supper Dance XXVIII

On **July 27th**, We hosted our 28th Pot Luck Supper dance at the Pembroke Knights of Columbus hall.

A highlight of the evening was a performance by our friends, **Paul Russell and Kelly Madenjian**. They did a Night Club Two-step routine that segued into a ChaCha. This was a bit of a switch for both of them. Paul is a highly regarded pro with a focus on international-style ballroom. Kelly is a National 9-Dance champion. They are now competing together in Country-Western style.

Members and friends generously shared their buffet specialties for what was a treat for all. Such a variety of dishes to try to fit on one plate. Then there were desserts! It was amazing that we could all dance after that. The reality of all the food and fun did finally set in and, after the **Paul Jones Mixer**, the numbers began to thin out. Early reports indicated that it was a fun night.

See y'all next year on July 25th.

Dancing on TV - SYTYCD - Top Ten Perform

Five men and five women were chosen from the survivors of the "Academy Rounds". They have been performing multiple dance numbers each week as one man and one woman are eliminated at the end of the show. Finally, one winner is crowned "America's Favorite Dancer". Watch the series on Fox, Mondays at 9pm.

Dancing on TV - DWTS - Some Changes?

After the controversy over last fall's results and skipping the Spring schedule, can we look forward to improvements? Maybe. Through the years — specifically during season 27 when Bobby Bones beat Milo Manheim, who was clearly a better dancer — viewers have complained about the popular vote overpowering the judges' expert opinions, so it's possible that Goodman, Tonioli and Inaba's vote will have a bit more power. Another first, **live voting**. Supposedly, we'll be able to see the results of viewer voting at the end of the show. Other reports had 6-time national 10-dance champions, **Pasha Pashkov** and **Daniella Karagach** joining the pro cast. Note, however, that they are not included in the list below. Final pairs will not be announced until the show on ABC at 8:00pm, Monday, 10/16. Leaked [unofficial] pairings for the season are:

- **Kate Flannery** - Actress, *The Office* with **Sasha Farber**
